

## **Hello!**

You are receiving this email because you are a member of the Swedish Union of Tenants and belong to Western Sweden.

We would like you to participate in our survey, which addresses current topics such as renovations, queue systems, conversions, safety in your housing area, and building regulations. By sharing your opinions and experiences, you help the Swedish Union of Tenants continue working on issues that matter to you as a tenant. The results of the survey will be presented later this year as a report on our website.

### **How to participate**

Click on the link in the email to answer the questions. For the best experience, we recommend completing the survey on a computer rather than on a mobile device. The survey is available in English.

The survey takes about 10–15 minutes to complete. The deadline for submitting responses is **November 10th**.

### **Your feedback is important.**

Participation in the survey is voluntary, but we hope you will take part and contribute with your opinions.

All your responses are anonymous, and we will handle your answers confidentially. You can read more on our website about how your personal data is processed.

### **Thank you in advance!**

Best regards,

The Swedish Union of Tenants, Western Sweden, on behalf of Emma Johansson and Jenny Juthstrand, Analysts.
